**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a current customer of Sonic.net. I compared their prices and services against the larger companies and Sonic was the best value with the best products. I could not be happier with my choice.

I want to be able to have more than one or two choices in the marketplace so there is more competition for my business needs.

I rely on broadband every day for news, recreation, and communications.

Recently I switched over from DSL to fiber and recommend the switch for all who are able to get fiber in their areas. The results were stunning.

I support broadband competition.
